## Fashion During the French Revolution | Encyclopedia.com

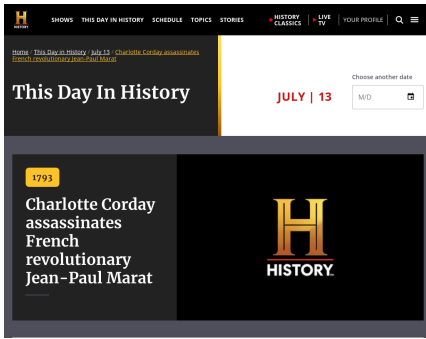

Fashion During the French RevolutionUpheaval.The years following the Revolution in France in 1789 brought massive upheaval and changes in French society, which, in turn, produced profound changes in dress and fashion. Clothing had long served in France as one of the most visible markers of social privilege and aristocratic status, so it is hardly surprising, then, that fashion was deeply affected by the course of revolutionary changes. ## Louis XVI's flight from Paris | History Today

If any king could have coped with the French Revolution it was not Louis XVI. He was 19 when he succeeded his grandfather, Louis XV, in 1774. At 15 he had married the Austrian Habsburg princess Marie-Antoinette, who was 14. Louis was initially unable to consummate the marriage and, deeply unsure of himself, he hid his lack of confidence behind a haughty demeanour.
