Italia.it

<http://www.italia.it/en/discover-italy.html>

Italia.it is the official website for tourism in Italy, sponsored by the Italian Government. While the website is divided into specific regions, you can locate city information by using the search function. Results are divided into sections according to sub-topics i.e. Travel ideas, News, etc.

Lonely Planet

<http://www.lonelyplanet.com/italy>

This very comprehensive site will offer you detailed information on the city of your choice – just use the search bar feature. It includes Best places to Stay, Do, and Eat while visiting the Italian city of your choice.

Life in Italy

<http://www.lifeinitaly.com/>

This website covers contemporary aspects of life in Italy. Use the navigation bars (top left) to get to your drop-down menu. Select Travel in Italy, then travel destinations. Not the most searchable site, but you might find inspiration which you can then track down with a Google search.

Your Guide to Italy

<http://www.yourguidetoitaly.com/10-most-famous-cities-of-italy.html>

Information on ten of the most famous cities in Italy.

Italia Mia
