

Planets Pathfinder for Science 9 Prepared by WGSS Libr@ry 2016

| Website Title | ULR | Description / Use |
|--|---|---|
| Windows to the Universe – from the National Earth Science Teachers Association | http://www.windows2universe.org/our_solar_system/planets.html | Select the planet you are studying from the column on the left, then scroll down to select specific information about your planet (eg. atmosphere, magnetosphere, Interior and Surface, moons, myths, etc.) |
| Solar System Exploration from NASA | http://solarsystem.nasa.gov/planets/index.cfm | Select the planet you are researching from the column on the left. You can find additional information by selecting the tabs at the top of the screen (Read More, Moons, Rings, Facts and Figures, etc.) |
| Views of the Solar System – by Calvin Hamilton | http://www.solarviews.com/eng/index.htm | Detailed information about the universe and planets. |
| Nine Planets | http://nineplanets.org/ | Detailed information about the universe and planets with NASA images. Scroll down the webpage to select a specific planet. |
| Canadian Astronomy Education - Student Learning tools | http://www.cascaeducation.ca/files/studentLearningTools.html | Random Interactive tools. For example, your age on other worlds, your weight on other planets and a Solar System Stimulator. |
| Google Earth – requires updated flash to work | http://www.google.com/earth/explore/showcase/sky.html | Includes live images of galaxies and planets, astronomy podcasts and celestial research from expert sources. |
| Canada Science and Technology Museum – The Planets | http://www.sciencetech.technomuses.ca/english/schoolzone/Info_Planets.cfm | Summary/basic easy to read information on planets and links to more information. |
| Canadian Space Agency | http://www.asc-csa.gc.ca/eng/default.asp | Current Canadian Events. Select the Activities Sector at the top of the page for more options. (In particular, there is interesting information on Mars). |
| History Channel – the Universe | http://www.history.com/shows/the-universe | Use the search engine at the top of the page to find current news information on the planet you are researching. Includes news articles, photos and video clips. |
